## Student Stories

Please send us your stories or poems for the June newsletter

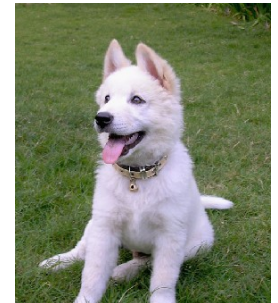

### My New Car is Nice, by Terrill Jones

My New car is a Mazda6. It is red and is automatic. I am getting a driver license. I am learning to read. I would like to get spinners for my new car.

### A Dog Over a Gerbil, by Louis J. Moseley III

I would prefer a dog over a gerbil. There are a few things that are good about a dog. I would train a dog to be a good watch dog. He would protect me. He would be a good companion. The good thing about gerbils is they are small and weigh about 6 to 100 grams. They are fun to watch in the cage. The thing I dislike about a dog is if you don't train him he runs away and messes in the house. I dislike a gerbil because he looks like a rat and is not friendly.
