I Want To Get A Tutor! What's Next?

What Students Say About Us!

Students Need To Be Able To:

- **Identify Your Goals!** What do you want to learn? What do you need to learn? How will you use what you learn?
- **Meet** with your tutor 1½ to 2 hours **EVERY** week.
- **Study at Home!** Spend 2-3 hours studying at home (outside of class).
- **Come on Time!** You and your tutor will choose the best times to meet!
- **Take Regular Progress Tests!**
- **Be Patient!** It may take a long time to find the best tutor for you.

1. Come to Craven Literacy Council at 2507 Neuse Blvd., Office A. We will give you a yellow form to fill out.
2. We will give you the date of the next Student Orientation Meeting. Plan to attend this meeting.
3. At this meeting we will talk to you about days and times you can meet with your tutor.
4. You will do some paperwork that shows what your skills are now - and how we can help you!
5. We will call you when we find a tutor for you. (It is okay to call us while you are waiting for a tutor.)

Student 1 Says:
"I can fill out the forms by myself when I go to the doctor's office."

Student 2 Says:
"I can read the Sunday School lesson."

Student 3 Says:
"When I cook, I can read the directions and understand them."
