A Trip to Busch Gardens and Water Park with My Family by Lulu Jacome

Our whole family went to Busch Gardens recently. We got up at 4:30 AM and left at 5:00 AM on Saturday and drove 4 hours with one stop to get there. We got there around 9:30 AM. We spent all day in Busch Gardens and left around 5 o'clock. We were looking for the hotel. We brought our tickets and hotel rooms online. We stayed in the hotel that evening because we were so tired.

The next day, we got up around 7:30 and we ate breakfast at the hotel and after that we went the Water Park, USA. All rides use water and the day was very hot so we really enjoyed it. We wore our bathing suits all day.

My kids' favorite ride was the new big roller coaster at the Busch Gardens, and for me my favorite was Europe in the air. The whole trip was wonderful and we want to do it again.

A Letter from Jeffery Sawyer:

Dear Amare,

Here are some things that I think will help you have a good life.

First, God loves you.

Second, your family loves you.

Third, work hard.

I hope you find these things good to know.

With love,

Uncle Jeffery

Summer Plans by Rosario Lugo

School will be out June 10. I will still work at the school until June 23. Then my summer will begin.

My daughter, Melviz, just finished the second year of college. She has a job for the summer at Vector Company as a receptionist answering the phone and other things.

Andres, my second son, will probably work in the shrimp plant in Oriental.

Christian, my first son, lives in Hendersonville, NC. I am now a grandmother with the birth of Christian's son, Christian. Christian and Maria Rosa will be busy this summer with their new baby.

Daniel, now 9, will be in camp at Camp Seafarer for two weeks this summer.

So I will have time to work in the fish industry. My husband works in construction. We are planning to go to Virginia to Busch Gardens and Water Country. Until then, Daniel will be able to swim at my sister's house.

Randy Priesing, a compensatory education student in Mr. Robert Kay's Havelock class is receiving a certificate after finishing Book Three Reading for Today! This was a big accomplishment for Randy. He is continuing in Book Four. Hard work pays off! Luann Rottmann is Randy's literacy tutor.
